Newsletter for May 2008

Howdy!

Tonight we're back at the Sweeney School. May is our anniversary month; Windham began dancing in May 1965. On May 16, 1965 the Campbell's Soup Company introduced their great gift to American cuisine, *SpaghettiOs*®. Ninety-nine years earlier, on May 16, 1866, Philadelphia pharmacist Charles Hires invented root beer and Congress created the nickel (and it was probably the last time you could get anything for a nickel). After giving the matter some thought, we decided against having a *SpaghettiOs*® Dance, opting instead for our Ice Cream

Social as this evening's theme (though Noreen is always looking for new ideas ☺). And root beer goes a lot better with Ice Cream. Of course, you'll need to work off those calories and there's only one really good way to do it - get in a square and dance!

Annual Meeting/Executive Board Elections

The Annual Meeting/Potluck Dinner was held at Zoe & Jerry Leibowitz's home on May 14. After a delicious meal of pizza, veggies, fruit and Bernie Brisson's fresh from the oven rhubarb cake, the club got down to the business of the annual meeting and voted in next year's Executive Board:

- President: Alma Derway & Alice Leibowitz
- Programmer: Burt & Jeanne Starkey
- Treasurer: Al & Elaine Macke
- Secretary: Fred Rick
- Hospitality: Noreen & Chuck Morgan
- Special Events: Gerald Leibowitz
- Publicity: Warren Bliss
- CASDC Rep: Joan Weatherford

Dues are Due

The new year is upon us so it's time to pay the membership dues. Membership dues are still \$10 per person. Please see Al Macke tonight or mail a check to Al at 262 Clubhouse Road, Lebanon, CT 06249.
